

§ 92.61

does not apply if the HUD Field Office finds that the insular area has made a good faith effort to clear the audit and, when there is an outstanding monetary obligation to HUD, the insular area has made a satisfactory arrangement for repayment of the funds due HUD and payments are current.

(d) *Increases to the initial allocation amount.* If funds reserved for the insular areas are available because HUD has decreased the amount for one or more insular areas in accordance with paragraphs (b) or (c) of this section, or for any other reason, HUD may increase the allocation amount for one or more of the remaining insular areas based upon the insular area's performance in committing HOME funds within the 24 month deadline, producing housing units described in its program description, and meeting HOME program requirements. Funds that become available but which are not used to increase the allocation amount for one or more of the remaining insular areas will be reallocated in accordance with § 92.66.

(e) *Notice of allocation amounts.* HUD will notify each insular area, in writing, as to the amount of its HOME allocation.
